

WAS OUT OF TUNE

Violin Handily Bested By
Irish Lassie in Match.

Large Crowd Attracted to the Park
Track—Betting Was Heavy—Lassie
Had It Easy After First Heat.

SUMMARY.

Match race for \$500 a side at Kapo-
lan Park track, Honolulu, H. I.,
May 28, 1898, between Jas. Quinn's
Imp. Violin, b. m., aged, by Alex. But-
ton, dam Vidette, and L. L. McCand-
less' Imp. b. m. Irish Lassie, 2:28,
aged, by St. Patrick, 2:24, dam Aurella,
best three heats in five:

Violin, driven by W. Bagsby... 1 2 2 2
Irish Lassie, driven by J. Gib-
son... 2 1 1 1
Time, 2:25, 2:24½, 2:36, 2:33.
Judges—Theo. Hoffman, Capt. Tripp,
Capt. Chaney.
Starter—Capt. Tripp.
Timers—Gus Schumann and M.
Decker.

Track fast; weather fine.
Attendance large; no admission.
Whole time of race, one hour and a
half.

THE RACE.

This match was the outcome of a
win at the special race meeting by
Irish Lassie in a field that included
Violin. The challenge was issued by
the owner of Violin. It was claimed
that Violin was in no condition—too
fleshy. Besides the purse of \$1000, be-
tween \$5,000 and \$6,000 was wagered
on the outcome. As a rule "the fancy"
favored Irish Lassie.

It was still remarked that Violin
was too fleshy when she came to the
post. She moved freely enough show-
ed good courage, but appeared to
"blow" too much after each heat.
Some of the adepts denounced the
mare as a "quitter."

The story of the race may be quick-
ly told. Violin took the first heat
because the Lassie broke twice and
Gibson did not care to drive the
favorite out too fast on the last quarter
of the first mile. In the other three
heats Lassie had the race well in
hand all the time. For most of the
way on each journey the horses travel-
ed together and made a pretty picture.
The sprinting was very good. The
first half was made in 1:09 in heats
one and two.

Violin will be either given a long
rest or trained harder than ever for
coming events. Irish Lassie will be
continued at her work for the meet-
ing June 11 with Margaret H and other
fast ones.

To Entertain Correspondents.

All the papers of the city were re-
presented at a meeting in this office
yesterday afternoon to discuss press
entertainment for the correspondents
en route to Manila. There will be
several special men with the Charles-
ton and transports. The local plan is
to give the travelers a dinner and a
good time, probably at Sans Souci.
Arrangements have been placed in
the hands of a committee of two—
C. G. Ballentyne and F. L. Hoogs. As
the dean of the fraternity, W. N.
Armstrong presided over the meeting
held yesterday.

Will Leave Maui.

News comes from Maui that Samuel
Chillingworth of Walluku, has decided
to come to Honolulu to remain per-
manently. This will take place as
soon as he has had time to settle up
all of his business on Maui. The peo-
ple of that island are very sorry to
lose Mr. Chillingworth as he has been
one of the foremost lawyers and citi-
zens there for many years past. Mr.
Chillingworth finds that he likes Hon-
olulu better than Maui and Charles
Chillingworth, his son, is located here
permanently, so he feels he must like-
wise come to Honolulu.

Doctors' Club.

At the close of the annual meet-
ing of the Medical Association of
Hawaii on Thursday evening the pro-
position was made to form a local
medical club for the discussion of
medical and scientific subjects. The
first meeting will be held on June 20th
at which time the club will be or-
ganized. There is to be no business
whatever connected with the meetings.
There will simply be informal discus-
sion on various topics. The meetings
will be held once a month.

Out of Water.

The story arrived on the Claudine
Sunday morning of the entrance into
the port of Kahului in distress on
Friday of the American schooner
Emma & Louisa which sailed from this
port for San Diego, Cal., last Thurs-
day morning with a full cargo of old
bottles. It seems that shortly after
leaving this port the steward of the
little schooner went to the tank to

SHE FIRED THE FIRST SHOT.

The cruiser Nashville, of the North Atlantic fleet, fired the first shot in the hostilities with Spain and captured the first prize, the Buena Ventura, a merchant ship. This is an honor of which the crew of the Nashville will always feel justly proud.

get some fresh water. To his surprise
he found there was none. A leak
through which all the water had es-
caped was discovered. The intelligence
was at once communicated to the cap-
tain and the schooner was headed for
Kahului. Upon entering the port
named the schooner just grazed the
reef but very luckily passed over with-
out any injury. She is probably by
this time again on her way to her
home port.

A WOMAN'S LIFE WORK.

DEVOTED TO THE CAUSE OF SUFFERING HUMANITY.

Utterly Miserable for Thirteen Years
Because of a Helpless Infirmary—Now
Able to Help Others.

From the Plaindealer, Canton, N. Y.

To suffer for years with a prevail-
ing painful ailment which baffled skill-
ful medical treatment, yet which was
restored by a simple household remedy,
is the lot which befell Mrs. Geo. L.
Rogers, of Canton, New York.
"Thirteen years ago," said Mrs.
Rogers to a reporter, "I was attacked
with inflammatory rheumatism and a
complication of diseases. I cannot be-
gin to describe my sufferings during
that time. You can judge somewhat
of what I endured, when you look at
these hands. They were distorted,
twisted and swollen. My foot too, is
so much out of shape that the big toe
lays across the others, the end touch-
ing the little toe. I tried different
doctors and many proprietary reme-
dies, but no permanent benefit was ob-
tained. Last March I tried Dr. Williams'
Pink Pills, and before I had
finished the first box I began to feel
that they were doing me good. I con-
tinued using them and steadily grew
better. I have used thirty-
three boxes of the pills and to-day
feel better than for the past
fifteen years. My appetite is good, I
feel bright, cheerful and have a desire
to live and enjoy society. I have been
a member of the Methodist church for
many years, but for six years was un-
able to attend. I am able now to at-
tend the church services regularly and
certainly appreciate that privilege. I
consider Dr. Williams' Pink Pills for
Pale People a wonderful medicine and
am confident no other medicine could
have effected the wonderful cure they
have in my case. I am glad to state
this, hoping that some sufferer may
profit by it and obtain relief."

It was nature's own remedy that ac-
complished this cure, caused by impure
blood, for Dr. Williams' Pink Pills are
composed of vegetable remedies that
exert a powerful influence in purifying
and enriching the blood. Many diseases
long supposed by the medical profes-
sion to be incurable have succumbed
to the potent influence of these pills.
Sold by all dealers in medicine.
